(Stop by anytime between 6:00 p.m. & 8:00 p.m.)

**Tucson Estates Recreational Hall
5900 West Western Way Circle
(see ★ on map)**

This Open House is an opportunity for area residents, property owners and business owners to meet and talk with the people who are designing and constructing the Ajo/Kinney roadway improvements. Members of the Ajo/Kinney Design-Build team will be available to explain the project and answer questions about design plans, landscaping, public art opportunities, noise analysis, and upcoming construction.

Because this is a design-build project, construction will begin while the overall roadway design is being completed. The design of the utility relocations is underway and utility work will begin once the design is complete. Construction of the roadway improvements in the area of Ajo Way and Kinney Road is expected to begin in October 2007.

Individuals with disabilities who require accommodation for effective participation and communication in the meeting may call the Ajo/Kinney Design-Build team at 792-0737 in advance to make appropriate arrangements.
